feature is mean radius

feature is mean texture

feature is mean perimeter

feature is mean area

feature is mean smoothness

feature is mean compactness

feature is mean concavity

feature is mean concave points

feature is mean symmetry

feature is mean fractal dimension

feature is radius error

feature is texture error

feature is perimeter error

feature is area error

feature is smoothness error

feature is compactness error

feature is concavity error

feature is concave points error

feature is symmetry error

feature is fractal dimension error

feature is worst radius

feature is worst texture

feature is worst perimeter

feature is worst area

feature is worst smoothness

feature is worst compactness

feature is worst concavity

feature is worst concave points

feature is worst symmetry

feature is worst fractal dimension
